Heather Pierson is an award-winning pianist, singer/songwriter and performer whose inspiring live performances and growing catalog of releases delve into Americana, blues, New Orleans jazz, vocal chants, instrumental piano, and poignant folk. She is best known for her virtuosity at the piano and her bell-tone vocals, and her songs and musicianship embody joy, honesty, and a desire to share from the heart. In 2018, she and fellow singer/songwriter Bernice Martin released a songbook and companion CD, 'Heart Songs & Circle Songs,' which has found its way into the repertoire of church and hospice choirs all over the world. A new full-length recording from Heather is currently in the works and planned for a mid-2019 release.
