

## I GIVE THANKS

© 2018 by Bernice Martin

I give thanks to my mother the earth  
I give thanks to my father the sky  
I give thanks to my brother the sun  
I give thanks to my sister the moon

I give thanks for the breath of my soul  
I give thanks for the passion that moves me  
I give thanks for the waters that nourish me  
I give thanks for the earth, my home

I give thanks with all the words that I say  
I give thanks with all the things that I do  
I give thanks from deep within me  
I give thanks with every step that I take

I give thanks to my mother the earth  
I give thanks to my father the sky  
I give thanks to my brother the sun  
I give thanks to my sister the moon

I give thanks  
I give thanks  
I give thanks  
I give thanks
