

PULSE OF CREATION

© 2018 by Bernice Martin

My heart beats with the rhythm of the earth
My heart beats in the pulse of creation

Heh eh ya hey ya hey ya hey oh
Heh eh ya hey ya hey ya hey oh

My voice speaks to the wind among the trees
My voice speaks in the song of creation

Heh eh ya hey ya hey ya hey oh
Heh eh ya hey ya hey ya hey oh

My life moves to the flowing of the sea
My life moves in the dance of creation

Heh eh ya hey ya hey ya hey oh
Heh eh ya hey ya hey ya hey oh

My soul soars through the endless stars of night
My soul soars in the womb of creation

Heh eh ya hey ya hey ya hey oh
Heh eh ya hey ya hey ya hey oh

Our hearts beat to the rhythm of the earth
Our hearts beat in the pulse of creation

Heh eh ya hey ya hey ya hey oh
Heh eh ya hey ya hey ya hey oh

Our hearts beat to the rhythm of the earth
Our hearts beat in the pulse of creation
Our hearts beat in the pulse of creation
Our hearts beat in the pulse of creation

Heh eh ya hey ya hey ya hey oh
Heh eh ya hey ya hey ya hey oh
Heh eh ya hey ya hey ya hey oh
