

WITH ONE BREATH

With one breath  
I know I'm alive  
With one breath  
I know I am whole  
With one breath  
I know I'm alive  
With one breath  
I know I am whole

With one breath  
I know I am loved  
With one breath  
I know I can love  
With one breath  
I know I am loved  
With one breath  
I know I can love

With one breath  
I know I'm at peace  
With one breath  
I know I am well  
With one breath  
I know I'm at peace  
With one breath  
I know I am well

With one breath  
I'm part of you  
With one breath  
You're part of me  
With one breath  
I'm part of you  
With one breath  
You're part of me
